REPORT

Online Short Term Course Introduction to seed technology : 2021

Matsyodari Shikshan sanstha's, Ankushrao Tope College, Jalna Department of Botany have Organized a very short term online course for B.Sc. Botany students. Due to covid pandemic time this course was arranged on ZOOM platform which is online. Our honorable Principal Dr. B.R. Gaikwad sir and Respected Vice- Principal Dr. Sanjay Patil sir are always motivated and supported us to conduct such type of Departmental activities.

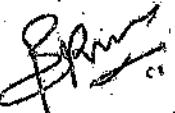

"Online Short Term course in Introduction to seed technology : 2021" for benefit of graduate Students of Botany. Program conducted and coordinated by Head of the Department Ms. Patre M.M. and her Collogues Mr. Bhandrage P. R. The course started from 15 th August 2021. Daily Two Lectures was conducted to cover most of the topics of the course syllabus

At the end proficiency test/ exam will be conducted to evaluate the benefit participants have derived from seminar series. Slide discussions will be done by eminent faculty from both board of study faculty members. Many faculty members conducting the course are renowned in their field and are authors and co-authors of books and book chapters. During the course guest lectures are organized who is the member of board of study honorable Dr. Ghogre sir, Assistant Professor and Head, Department of Botany, Matsyodari College, Ambad.

This lecture series was extremely useful for graduates and young Botany students which gave deep insight into seed technology. After completion of course participants who are successfully passed in final examinations arec provided e-

certificates on their e-mail address. There was 50 students registered or admitted in such course mostly are same college students and some are other college students, it was a very great experience and all students are very enjoying such course. There was No registration fee for all students or faculty members. Time duration of course was only 15 days (30 lectures).
